

Request for Proposal
The Jewish Community Foundation of El Paso Impact
Grants Program for May 1, 2025 – June 30, 2026

The Jewish Community Foundation of El Paso is seeking proposals from nonprofit Jewish Agencies and Synagogues in the El Paso region. **Completed proposals including budget worksheets are due by noon MT, on Friday, March 28th to the following email address: grants@jcfep.org**

Proposals should address one or more of the following criteria:

- ✓ New programming
- ✓ Program expansion

Priority Areas

- ✓ Providing core human services
- ✓ Increasing Jewish engagement

Special consideration will be given to collaborative ventures focused on one or both of the above priorities listed above.

Eligibility

- Nonprofit 501(c)(3) organizations, synagogues and programs with a fiscal sponsor that serves the Jewish population of El Paso. This means someone with a great idea that partners with a Jewish organization as the fiscal sponsor would qualify.
- Individual organizations are eligible to apply for up to two (2) grants with a maximum combined total of \$36,000
- Multiple organizations working together are eligible to apply for collaborative project proposals. These collaborative projects are not limited to the \$36,000 cap.

Exclusions

- The Foundation doesn't support funding for an organization's fundraiser. For example, if an organization wanted to bring in a speaker and asked for funding for that and then wanted to sell tickets and get sponsorship for the event, we would not fund that.
- The Foundation does not fund capital improvement projects of any kind. (A capital improvement is the addition of a permanent structural change or the restoration of some aspect of a property to enhance the property's useful life or adapt it to new uses.)
- The Foundation's funding does not extend to operating expenses, including staff salaries. Similarly, costs associated with food and refreshments for programs or projects are not eligible for funding.
